

COVID-19 UPDATE

March 19, 2020

As we continue to monitor the evolving COVID-19 situation, we want to reassure you that ***San Joaquin Sulphur Co. remains open for business***, and we continue our dedication to serving agriculture and your needs.

We are adjusting office hours and implementing additional safety precautions to keep you safe. In an effort to limit potential health risks, the office will remain closed on Saturdays. We will continue to maintain regular hours and operations from the office under an agricultural travel waiver for deliveries to the extent we can. In the worst case scenario, some calls may not be answered immediately, and we may need to call you back in a few minutes. Our goal is, and remains, to respond as quickly as possible to all calls and emails. You can reach us at (209) 368-6676 or info@sjsulphur.com.

Safety is paramount for our customers and employees, therefore we ask you follow the CDC protocols, including social distancing in our office and yard. Curbside service is available and encouraged.

We appreciate your patience during these trying times, but we are all in this together and we will get through this together. We hope you and your family are healthy and safe.
