

COVID-19 UPDATE

April 21, 2020

As we continue to monitor the evolving COVID-19 situation, we want to reassure you that ***San Joaquin Sulphur Co. remains open for business***, and we continue our dedication to serving agriculture and your needs.

We have implemented additional safety precautions to keep you safe. In an effort to limit potential health risks, we are not allowing customers inside the office area. For your safety and ours, we are serving customers outside in our yard. We will continue to maintain regular hours and operations, **including Saturdays 8-12**. Our goal is, and remains, to respond as quickly as possible to all calls and emails. Curbside service is available and phone-ahead orders are encouraged.

You can reach us at (209) 368-6676 or info@sjsulphur.com.

Safety is paramount for our customers and employees, therefore we ask you follow the CDC protocols, including social distancing in our yard.

We appreciate your patience during these trying times, but we are all in this together and we will get through this together. We hope you and your family are healthy and safe.
